

Fill in the gaps

I'm in the (1) of misery, let's take it from	Whoa, it was never my intention to brag
the top	To steal it all away from you now
She's got a (2) like an hourglass that's	But God, does it (22) so good
(3) (4) a clock	'Cause I got him where I want him right now
It's a (5) of time before we all run out	And if you (23) then you know you would
But when I thought he was mine she (6) him	'Cause God, it just feels so
by the mouth	It (24) feels so good
I waited (7) long months, she finally set him free	I watched his wildest dreams come true
I told him I couldn't lie, he was the only one for me	And not one of them involving you
Two weeks and we (8) on fire	Just watch my wildest dreams come true
She's got it out for me but I wear the (9)	Not one of them involving
smile	Whoa, I never meant to brag
Whoa, I never (10) to brag	But I got him where I (25) him now
But I got him (11) I want him now	Whoa, I never meant to brag
Whoa, it was never my intention to brag	But I got him where I want him now
To (12) it all away from you now	Whoa, it was never my intention to brag
But God, does it feel so good	To steal it all (26) from you now
'Cause I got him where I want him now	But God, does it feel so good
And if you could then you know you would	'Cause I got him where I want him now
'Cause God, it just (13) so	And if you could then you know you would
It (14) feels so good	'Cause God, it just feels so
Second (15) they don't ever matter, people	It just feels so good
never change	
Once a whore, you're nothing more, I'm sorry, that'll never	
change	
And about forgiveness we're (16) supposed to	
have exchanged	
I'm sorry honey but I (17) it up, now look this	
way	
Well there's a million other (18) who do it just	
(19) you	
Looking as innocent as possible to get to who they want	
And what they like, it's (20) if you do it right	
Well I refuse, I refuse!	
Whoa, I (21) meant to brag	
But I got him where I want him now
