| Why (1) I (2) you?            | You make me glad                     |
|-------------------------------|--------------------------------------|
| You treat me so bad           | Why (9) I care for you?              |
| You make me glad              | I'll tell you my feelings            |
| Why should I (3) for you?     | Honestly                             |
| I'll tell you my (4) honestly | You (10) up                          |
| There are a few factors       | The sun shines on your face          |
| That lie in your favour       | You crack a smile                    |
| Yet I'm attracted             | You got big plans today              |
| Also distracted               | Your freedom lies                    |
| Pride may ruin you slowly     | Way up in the skies                  |
| Harbouring feelings           | You'll fly high with invisible wings |
| You (5) let go                | So why should I love you?            |
|                               | You treat me so bad                  |
| Why should I love you?        | You make me glad                     |
| You treat me so bad           | Why should I care for you?           |
| You make me glad              | I'll tell you my feelings            |
| Why should I (6) for you?     | Honestly                             |
| I'll (7) you my feelings      | Why should I love you?               |
| Honestly                      | You're makin' me so glad             |
| Trying to tell me             | So sad                               |
| That I'm in the wrong         | Why should I care for you?           |
| Though we've been together    | You're makin' me so glad             |
| For so long                   | So sad                               |
| There is something there      | (Ooo ooh ooo ooh)                    |
| That I need                   | (Ooo ooh ooo ooh)                    |
| Yet far away from you         | Why?                                 |
| I can be free                 |                                      |
| Why (8) I love you?           |                                      |
