

## Fill in the gaps

What a miracle is life	Oh, we don't understand
The fields are (1) and fruit is ripe	Yeah, we don't undertstand
So hold out your hands	And if you don't ask questions
Yeah, hold out your hands	You won't know why
And you're the same as me	So say a prayer for the dying while there's still time
You breathe the air I breathe	Pray for good and pray for love
And we don't understand	Pray for peace and pray it's enough
Yeah, we don't understand	Pray for salvation
And if you don't ask questions	Pray (7) we're right
You won't know why	Pray one day we open our eyes and
So say a prayer for the dying while there's (2)	Pray for them and pray for us
time	Pray one day we can live as one
Pray for good and pray for love	Pray for the children whose time is to come
Pray for peace and pray it's enough	And pray they forgive us for the stupid things we've done
Pray for salvation	Pray for good and (8) for love
Pray that we're right	Pray for peace and pray it's enough
Pray one day we open our eyes and	Pray for salvation
Pray for them and pray for us	Pray (9) we're right
Pray one day we can live as one	Pray one day we open our eyes and
Pray for the children whose time is to come	Pray for them and pray for us
And pray they (3) us for the stupid	Pray one day we can live as one
(4) we've done	Pray for the children (10) time is to come
We all see the same sun	And pray they forgive us for the stupid things we've done
Each day a golden (5) is sung	
To the wonder of man	
Yeah, the (6) of man	
And when we look why can't we see	
All the riches that are free
