

Fill in the gaps

I remember years ago	And if you're done with embarrassing me
Someone told me I should take	On (10) own you can go (11)
Caution when it comes to love	(12) them
I did, I did	Tell (13) all I know now
And you (1) (2) and I was not	Shout it from the roof tops
My illusion, my mistake	Write it on the sky line
I was careless, I forgot	All we had is gone now
I did, I did	Tell them I was happy
And now all is done	And my heart is broken
There is nothing to say	All my (14) are open
You have gone and so effortlessly	Tell (15) what I (16) would be
You have won	Impossible, impossible
And so go ahead tell them	Impossible, impossible
Tell them all I (3) now	I remember (17) ago
Shout it from the (4) tops	Someone told me I (18) take
Write it on the sky line	Caution when it (19) to love
All we had is gone now	I did
Tell (5) I was happy	Tell them all I know now
And my (6) is broken	Shout it from the (20) top
All my (7) are open	Write it on the sky line
Tell them what I hoped would be	All we had is gone now
Impossible, impossible	Tell (21) I was happy
Impossible, impossible	And my heart is broken
Falling out of (8) is hard	All my scars are open
Falling for betrayal is worst	Tell them what I (22) be
Broken (9) and broken hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on love and words	I (24) ago
Empty promises will wear	Someone (26) me I should take
I know, I know	Caution when it comes to love
And now all is gone	I did
There is nothing to say
