

And now all is gone
There is nothing to say

## Fill in the gaps

remember years ago	And if you're done with embarrassing me
Someone (1) me I (2) take	On your own you can go ahead tell them
Caution when it comes to love	Tell them all I know now
did, I did	Shout it from the (7) tops
And you were strong and I was not	Write it on the sky line
My illusion, my mistake	All we had is gone now
was careless, I forgot	Tell them I was happy
did, I did	And my heart is broken
And now all is done	All my scars are open
There is nothing to say	Tell them what I hoped would be
You have gone and so effortlessly	Impossible, impossible
You have won	Impossible, impossible
And so go ahead (3) them	I remember years ago
Tell them all I (4) now	Someone told me I should take
Shout it from the roof tops	Caution (8) it (9) to love
Write it on the sky line	I did
All we had is (5) now	Tell them all I know now
Tell (6) I was happy	Shout it from the roof top
And my heart is broken	Write it on the sky line
All my scars are open	All we had is gone now
Tell them what I hoped would be	Tell them I was happy
mpossible, impossible	And my heart is broken
mpossible, impossible	All my scars are open
Falling out of love is hard	Tell them what I hoped would be
Falling for betrayal is worst	Impossible, impossible
Broken trust and broken hearts	Impossible, impossible
know, I know	Impossible, impossible
Thinking all you need is there	I remember years ago
Building faith on love and words	Someone told me I should take
Empty promises will wear	Caution when it comes to love
know, I know	I did
