### Fill in the gaps

#### Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start	I never stopped
You (1) a thief, you stole my heart	You're still written in the scars, on my heart
And I, your willing victim	You're not broken, just bent
I let you see the parts	And we can learn to love again
Of me that weren't all that pretty	Our tear ducts and rust
And with every touch you fixed them	I'll fix it for us
Now you've been talking in your sleep	We're collecting dust but our love's enough
Things you never say to me	You're (8) it in
Tell me that you've had enough	You're pouring a drink
Of our love, our love	No, nothing is as bad as it seems
Just (2) me a reason, just a little bit's enough	We'll come clean
Just a second, we're not broken, just bent	Just give me a reason, just a little bit's enough
And we can learn to love again	Just a second, we're not broken, just bent
It's in the stars	And we can (9) to love again
It's been written in the scars, on our hearts	It's in the stars
We're not broken, just bent	It's been written in the scars, on our hearts
And we can learn to love again	That we're not broken, just bent
I'm sorry I don't understand	And we can learn to love again
Where all of this is (3) from	Just (10) me a reason, just a little bit's enough
I thought that we were fine (we had everything)	Just a second, we're not broken, just bent
Your head is running wild again	And we can learn to love again
My dear, we still have everything	It's in the stars
And it's all in (4) mind (yeah, but this is happening)	It's been written in the scars, on our hearts
You've been having real bad dreams	That we're not broken, just bent
You used to lie so close to me	And we can learn to love again
There's nothing (5) than empty sheets	We can learn to love again
Between our love, our love	We can learn to love again
Our love, our love	That we're not broken, just bent
Just (6) me a reason, just a little bit's enough	And we can learn to love again
Just a second, we're not broken, just bent	
And we can (7) to love again	

#### 1. were

- 2. give
- 3. coming
- 4. your
- 5. more
- 6. give
- 7. learn
- 8. holding
- 9. learn
- 10. give
