Fill in the gaps

Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start		I never stopped	
You were a thief, you stole my heart		You're still written in the scars, on my heart	
And I, (1) (2)	victim	You're not broken, (9)_	bent
I let you see the parts		And we can learn to love again	
Of me that weren't all that pretty		Our tear ducts and rust	
And with every (3) you fixed them		I'll fix it for us	
Now you've been talking in your sleep		We're collecting dust but our love's enough	
Things you never say to me		You're holding it in	
Tell me that you've had enough		You're pouring a drink	
Of our love, our love		No, (10)	is as bad as it seems
Just give me a reason, (4) a little bit's enough		We'll come clean	
Just a second, we're not broken, just bent		Just give me a reason, just a little bit's enough	
And we can (5) to love again		Just a second, we're not broken, just bent	
It's in the stars		And we can learn to love again	
It's been (6) in the scars, on our hearts		It's in the stars	
We're not broken, just bent		It's been written in the scars, on our hearts	
And we can learn to love again		That we're not broken, just bent	
I'm sorry I don't understand		And we can learn to love again	
Where all of (7) is coming from		Just give me a reason, just a little bit's enough	
I thought that we were fine (we had everything)		Just a second, we're not broken, just bent	
Your head is running wild again		And we can learn to love again	
My dear, we (8) have	everything	It's in the stars	
And it's all in your mind (yeah, but this is happening)		It's been written in the scars, on our hearts	
You've been having real bad dreams		That we're not broken, just bent	
You used to lie so close to me		And we can learn to love again	
There's nothing more than empty sheets		We can learn to love again	
Between our love, our love		We can learn to love again	
Our love, our love		That we're not broken, just bent	
Just give me a reason, just a little bit's enough		And we can learn to love again	
Just a second, we're not broken, ju	st bent		
And we can learn to love again
