

Fill in the gaps

Long Road To Ruin by Foo Fighters

Here now, don't make a sound	Under the cold streetlights
Say, have you (1) the (2) today?	No tomorrow, no dead end
One flag was taken down	Long road to ruin (16) in (17) eyes
To raise another in its place	Under the cold streetlights
A heavy cross you bear	No tomorrow, no dead end in sight
A stubborn heart remains unchanged	Long road to ruin there in your eyes
No harm, no life, no love	Under the cold streetlights
No (3) singin' in your name	No tomorrow, no dead ends
Maybe the season	For every piece to fall in place
The colors change in the (4) skies	Forever gone without a trace
Dear God, I've sealed my fate	Your horizon takes its shape
Runnin' through hell, (5) can wait	No turnin' back, don't turn (18) page
Long (6) to ruin there in your eyes	Come now, I'm leavin' here tonight
Under the (7) streetlights	Come now, let's leave it all behind
No tomorrow, no (8) end in sight	Is that the (19) you pay
Let's say we (9) this town	Runnin' through hell, (20) can wait
No (10) or queen of any state	Long (21) to (22) there in your eyes
Get up to (11) it down	Under the cold streetlights
Open the (12) and raise the gates	No tomorrow, no dead ends
I know a (13) to scale	Long road to ruin (23) in (24) eyes
I know a field without a name	Under the cold streetlights
Head on without a care	No tomorrow, no dead ends
Before it's way too late	Long road to ruin there in your eyes
Maybe the season	Under the (25) streetlights
The colors change in the valley skies	No tomorrow, no dead end in sight
Oh God, I've sealed my fate	
Runnin' (14) hell, heaven can wait	
Long (15) to ruin there in your eyes
