

Fill in the gaps

All my life I've been (1) f	for something	Closer to the prize at the end of the rope
Something (2) comes (3)	leads to	All night long I dream of the day
nothing		When it comes around then it's taken away
Nothing satisfies but I'm (4) c	close	Leaves me with the feeling (15) I feel the mos
Closer to the prize at the end of the rope		The feeling comes to life when I see your ghost
All night long I dream of the day		And I'm done, done
When it comes around then it's taken away		And I'm on to the next one
Leaves me with the feeling (5) I feel the most		Done, done
The feeling comes to life when I see your ghost		And I'm on to the (16) one
Come (6) don't you resist		Done, done
You have such a delicate wrist		And I'm on to the next one
And if I give it a twist		Done, done
Something to hold when I lose my breath		And I'm on to the next one
Will I find something in that		Done, done
So (7) me just (8) I need		And I'm on to the next one
Another (9) to bleed		Done, done
One by one hidden up my sleeve		And I'm on to the next one
One by one hidden up my sleeve		Done, done
Hey don't let it go to waste		And I'm on to the next one
I love it but I hate the taste		Done, I'm done
Weight keeping me down		And I'm on to the next
Hey don't let it go to waste		Done, done
I love it but I hate the taste		And I'm on to the next one
Weight (10) me down		Done, I'm done
Will I (11) a believer		And I'm on to the next one
Another one who believes		Done, done
Another one to deceive		And I'm on to the next one
Over and over down on my knees		Done, I'm done
If I get any closer		And I'm on to the next
And if you open up wide		Hey don't let it go to waste
And if you let me inside		I love it but I hate the taste
On and on I've got nothing to hide		Weight keeping me down
On and on I've got (12) to hic	de	Hey don't let it go to waste
Hey don't let it go to waste		I love it but I hate the taste
I love it but I hate the taste		Weight keeping me down
Weight keeping me down		Done, done
Hey don't let it go to waste		And on to the (17) one
I love it but I (13) the taste		Done, I'm done
Weight keeping me down		And I'm on to the next
All my life I've been searching for something		
Something never comes never leads to nothing		
Nothing satisfies but I'm (14)	close
