All my life I've been (1) for something		Closer to the prize at the end of the rope	
Something (2) (3)	never leads to	All night long I (17)	of the day
nothing		When it comes around then it's	(18) away
Nothing (4)	but I'm	Leaves me with the (19)	that I feel the mos
(5) close		The feeling comes to life (20)	I see your ghost
Closer to the prize at the end of the rope		And I'm done, done	
All (6) long I (7) of	the day	And I'm on to the next one	
When it comes around then it's (8)	_ away	Done, done	
Leaves me with the feeling that I feel the most		And I'm on to the (21)	one one
The feeling comes to life when I see your ghos	st	Done, done	
Come down don't you resist		And I'm on to the (22)	one one
You have such a (9) wris	t	Done, done	
And if I give it a twist		And I'm on to the next one	
Something to hold (10) I lose my be	reath	Done, done	
Will I find (11) in that		And I'm on to the next one	
So give me just what I need		Done, done	
Another reason to bleed		And I'm on to the next one	
One by one hidden up my sleeve		Done, done	
One by one hidden up my sleeve		And I'm on to the (23)	one one
Hey don't let it go to waste		Done, I'm done	
I love it but I hate the taste		And I'm on to the next	
Weight (12) me down		Done, done	
Hey don't let it go to waste		And I'm on to the (24)	one
I love it but I hate the taste		Done, I'm done	
Weight (13) me down		And I'm on to the next one	
Will I find a believer		Done, done	
Another one who believes		And I'm on to the (25)	one one
Another one to deceive		Done, I'm done	
Over and over (14) on my knees		And I'm on to the next	
If I get any closer		Hey don't let it go to waste	
And if you open up wide		I (26) it but I hate the taste	
And if you let me inside		Weight keeping me down	
On and on I've got nothing to hide		Hey don't let it go to waste	
On and on I've got (15) to hide		I love it but I hate the taste	
Hey don't let it go to waste		Weight keeping me down	
I love it but I hate the taste		Done, done	
Weight keeping me down		And on to the next one	
Hey don't let it go to waste		Done, I'm done	
I love it but I hate the taste		And I'm on to the next	
Weight keeping me down			
All my life I've been searching for something
