

Fill in the gaps

If you (1) for tenderness,	I can (13) a lover
It isn't hard to find	I can find a friend
You can have the love you need to live	I can (14) security
But if you look for truthfulness,	Until the (15) end
You might (2) as well be blind	Anyone can comfort me
It always seems to be so hard to give	With (16) again
Honesty is such a lonely word	I know, I know
Everyone is so untrue	Whoa whoa
Honesty is (3) ever heard	When I'm deep (17) of me,
And mostly (4) I need (5) you	Don't be too concerned
I can always (6) someone	I won't ask for nothin' while I'm gone
To say they sympathize	But when I (18) sincerity,
If I wear my (7) out on my sleeve	Tell me, where (19) can I turn?
But I don't want some pretty face	'Cause you're the one (20) I (21)
To tell me (8) lies	upon
All I (9) is (10) to believe	Honesty is such a lonely word
Honesty is such a lonely word	Everyone is so untrue
Everyone is so untrue	Honesty is hardly (22) heard
Honesty is hardly (11) heard	And mostly (23) I (24) (25)
And mostly (12) I need from you	you
