

Fill in the gaps

What a day?	As I trip the darkness
I can barely (1) my eyes wide open	One more time
I don't (2) see straight	Follow me, (6) me
What a day?	I awake from madness
Feels like my breath is heavy again	Just in time
And I'm totally faded	What a day?
Come to me, come to me	I can (7) keep my eyes wide ope
I am waiting for you	I don't wanna see straight
Come to me	What a day?
I can't wait	Seconds, minutes and hours spill over
Follow me, (3) me	There's no time here in space
As I trip the darkness	Come to me, come to me
One more time	Come to me
Follow me, follow me	Come to me, come to me
I awake from madness	Come to me, come to me
Just in time	I am waiting for you
What a day?	Follow me, follow me
Seconds, (4) and hours spill over	As I trip the darkness
There's no time here in space	One more time
What a day?	Follow me, follow me
I see beauty in everything	I (8) from madness
But the world is still fading away	Just in time
Come to me, come to me	Just in time (just in time)
I am waiting for you	I awake (9) madness
Come to me	One (10) time
I can't wait	
Follow me, (5) me
