

They got

Fill in the gaps

All The Right Moves by OneRepublic

All the right friends in all the wrong places	All the right friends in all the wrong places
So yeah, we're (1) down, they got	So yeah, we're going down, they got
All the right moves in all the right faces	All the right moves and all the wrong faces
So yeah, we're (2) down	So yeah, we're going down, they said
Just (3) the picture of a perfect place	Everybody knows, (16) knows where
They got it better (4) what anyone's told you	we're going
They'll be the King of Hearts	Yeah, we're going down, they said
And you're the (5) of Spades	Everybody knows, everybody knows where we're going
Then we'll fight for you like we were your soldiers	Yeah, we're going down
I know we've got it good	It don't (17) what you see
But they got it made	I know I could never be
And the grass is getting greener each day	Someone that'll look like you
I know things are (6) up	It don't matter what you say
But soon they'll take us down	I (18) I could never face
Before anybody's knowing our name	Someone that could (19) like you
They got all the right friends in all the (7) places	All the right friends in all the wrong places
So yeah, we're (8) down, (9) got	So yeah, we're going down, they got
All the right moves and all the wrong faces	All the right (20) and all the (21)
So yeah, we're going down, they said	faces
Everybody knows, everybody knows where we're going	So yeah, we're going down
Yeah, we're going down, they said	All the (22) friends in all the wrong places
Everybody knows, everybody (10) where we're	So yeah, we're going down, they got
going	All the right moves and all the right faces
Yeah, we're (11) down	So yeah, we're going down, they said
Do you think I'm special?	Everybody knows, everybody (23) where we're
Do you think I'm nice?	going
Am I bright enough to (12) in your spaces?	Yeah, we're going down, they said
Between the noise you hear	Everybody knows, (24) knows where
And the sound you like	we're going
Are we just (13) in an ocean of faces?	Yeah, we're going down
It can be (14) that (15) can	Yeah, we're going down
fall	Yeah, we're (25) down
Only when it's over our heads	(All the (26) moves, hey)
The sun is shining everyday, but it's far away	Yeah, we're going down
Over the world is death	(All the right moves, hey)
They got	Yeah, we're going down
