

## Fill in the gaps

I need another story	Sick of all the insincere
Something to get off my chest	So I'm gonna give all my secrets away
My life gets kinda boring	This time, don't (10) (11)
Need something (1) I can confess	(12) line
Til all my sleeves are stained red	Don't care if critics never jump in line
From all the truth that I've said	I'm gonna give all my (13) away
Come by it honestly I swear	Oh, got no reason, got not shame
Thought you saw wink, no	Got no family I can blame
I've been on the brink, so	Just don't let me disappear
Tell me what you want to hear	I'm a (14) you everything
Something (2) (3) like those years	So tell me what you want to hear
Sick of all the insincere	Something that were (15) (16) years
So I'm gonna give all my secrets away	Sick of all the insincere
This time, don't need another (4) line	So I'm (17) give all my (18)
Don't care if critics never jump in line	away
I'm (5) give all my secrets away	This time, don't need another (19) line
My God, amazing how we got this far	Don't (20) if (21) never
It's like we're chasing all those stars	(22) in line
Who's driving shiny big black cars	I'm gonna (23) all my secrets away
And (6) I see the news	So tell me what you want to hear
All the problems (7) we could solve	Something that were like (24) years
And when a situation rises	Sick of all the insincere
Just write it into an album	So I'm gonna give all my secrets away
Singing straight, too cold	This time, don't need another perfect line
I don't really like my flow, no, so	Don't care if (25)(26)
Tell me (8) you want to hear	(27) in line
Something that were like (9) years	I'm gonna give all my (28) away
	All my secrets away
	All my secrets away
