4th Of July by Amy Macdonald

Fill in the gaps

Well the first day of spring	Like the 4th of July
Well it came and gone	And my heart still beats
And the (1) did too	Like you're by my side
But winter's so long	And I (5) of the day
And my heart still sings	When you'll be mine
Sings for you	And I'll fly sky high
And I dream of the one summer night	On the 4th of July
I (2) with you	And the fireworks still pop in my head
And it still goes on	The flag (6) flies overhead
Like the 4th of July	And the (7) still blows
And my heart still beats	Still blow in the wind
Like you're by my side	And the (8) still cheer
And I dream of the day	The crowds still sing
When you'll be mine	And it still (9) on
And I'll fly sky high	Like the 4th of July
On the 4th of July	And my heart still beats
Well the first day of spring	Like you're by my side
Well it came and gone	And I dream of the day
And the summer did too	When you'll be mine
But winter's so long	And I'll fly sky high
And my heart still sings	And it still goes on
Sings for you	Like the 4th of July
And I dream of the one summer night	And my heart (10) beats
I spent with you	Like you're by my side
And then the rain came down	And I dream of the day
And the sheets of grey	When you'll be mine
And they washed our love	And I'll fly sky high
My dreams away	Happy 4th of July
And the rising sun, it never came	
It (3) stayed there in (4) one summer	
day	
And it still goes on
