She's So Mean by Matchbox Twenty

I kn-kn-know a girl	And all you want is just to hold her
She gets what she wants all the time	But she don't go for that
'Cause she's fine	She has a hard time coming
But for an angel, she's a hot, hot mess	When she (7) hit back
Make you so blind	Sayin' yeah, and you want her
But you don't mind	But she's so mean
'Cause she's an uptown, get-around	You'll never let her go
Anything-goes girl	Why don't you let her go?
Girl	Yeah, and you want her
She's a hardcore, candy-store	But she's so mean
Give-me-some-more girl	You'll never let her go
Girl	Why (8) you let her go?
She'll make you take her to the club	Every now and then she makes you
But (1) she leaves with her friends	Just a (9) bit crazy, crazy
She likes to stay late at the party	She'll turn the knife into your back
'Cause the fun never ends	And then she's calling you 'baby', crazy
And all her (2) are on the floor	She'll make you take her to the club
And all your records are scratched	But then she leaves with her friends
She's (3) a one-way ticket	She likes to stay late at the party
'Cause you can't come back	'Cause the fun never ends
Sayin' yeah, and you (4) her	And all her (10) are on the floor
But she's so mean	And all your records are scratched
You'll never let her go	She's like a one-way ticket
Why don't you let her go?	'Cause you can't come back
Yeah, and you (5) her	Sayin' yeah, and you want her
But she's so mean	But she's so mean
You'll never let her go	You'll never let her go
Why don't you let her go?	Why don't you let her go?
You kn-kn-know that if you don't shut your mouth	Yeah, and you want her
She'll freak out	But she's so mean
You better get (6) shit together	You'll never let her go
'Cause she's bringing you down, now	Why don't you let her go?
Yeah, boy, you better, you better	Yeah, and that I know how you want her
'Cause she's an uptown, get-around	(You want her)
Anything-goes girl	Yeah, and that I know how you want her
Girl	(You want her)
She's a hardcore, candy-store	Yeah, I know how you want her
Give-me-some-more girl	But she's so mean
Girl	You'll never let her go
