

Fill in the gaps

93 (1) miles from the sun	Home
People get ready, get ready	You can always come back
Cause here it comes, it's a light	Every road is a slippery slope
A beautiful light	But there is (7) a hand that you can hold on to
Over the horizon, into our eyes	Looking deeper through the telescope
Oh, my, my, how beautiful	You can see (8) your home's inside of you
Oh, my beautiful mother	Just know
She (2) me, son, in life you're gonna go far	That (9) you go
f you do it right, you'll love where you are	No, you're (10) alone
Just know, wherever you go	You will always get back home
You can always come home	
240 (3) miles from the moon	Home
Ne've come a long way to belong here	Home
To (4) this view of the night	
A glorious night	93 million miles from the sun
Over the horizon is another bright sky	People get ready, get ready
Oh, my, my, how beautiful	'Cause here it comes
Oh, my (5) father	It's a light, a beautiful light
He told me, son, sometimes it may seem dark	Over the horizon
But the absence of the (6) is a necessary part	Into our eyes
Just know, you're never alone	
You can always come back home
