

## Fill in the gaps

### 93 Million Miles by Jason Mraz

93 million miles from the sun  
People get ready, get ready  
'Cause here it comes, it's a light  
A beautiful light  
Over the horizon, into our eyes  
Oh, my, my, how beautiful  
Oh, my beautiful mother  
She told me, son, in life you're gonna go far  
If you do it right, you'll love where you are  
Just know, (1)\_\_\_\_\_ you go  
You can always come home...  
240 thousand miles from the moon  
We've come a long way to belong here  
To (2)\_\_\_\_\_ this view of the night  
A (3)\_\_\_\_\_ night  
Over the horizon is (4)\_\_\_\_\_ bright sky  
Oh, my, my, how beautiful  
Oh, my irrefutable father  
He told me, son, sometimes it may seem dark  
But the absence of the light is a necessary part  
Just know, you're never alone  
You can (5)\_\_\_\_\_ come (6)\_\_\_\_\_ home...  
Home

Home  
You can always come back  
Every road is a slippery slope  
But (7)\_\_\_\_\_ is (8)\_\_\_\_\_ a hand that you  
can hold on to  
Looking deeper through the telescope  
You can see that your home's inside of you  
Just know  
That wherever you go  
No, you're never alone  
You will always get (9)\_\_\_\_\_ home...  
...  
Home  
Home  
...  
93 million miles from the sun  
People get ready, get ready  
'Cause here it comes  
It's a light, a beautiful light  
Over the horizon  
Into our eyes

Answer

1. wherever
2. share
3. glorious
4. another
5. always
6. back
7. there
8. always
9. back
