

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love (1)_____ you are
Just know, (2)_____ you go
You can always come home...
240 thousand miles (3)_____ the moon
We've come a long way to belong here
To share (4)_____ view of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can (5)_____ come back home...
Home

Home
You can (6)_____ come back
Every road is a slippery slope
But there is always a (7)_____ that you can hold on to
Looking deeper through the telescope
You can see that (8)_____ home's inside of you
Just know
That wherever you go
No, you're never alone
You (9)_____ always get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause (10)_____ it comes
It's a light, a beautiful light
Over the horizon
Into our eyes

Fill in the gaps

Answer

1. where
2. wherever
3. from
4. this
5. always
6. always
7. hand
8. your
