It's not you and I

Fill in the gaps

Tonight I'm Getting Over You by Carly Rae Jepsen

I (1) smash your fears	We're not lovers
And get (2) off your tears	But more than friends
Don't you share (3) smile with	Put a flame to every single word you ever said
Anyone else but me	No more crying
I wanna touch your heart	To get me through
I wanna crash it in my hands	I'll keep dancing till the morning
Make it bleed and cry as you give up all the lies	With somebody new
We're not lovers	Tonight I'm getting over you
But more than friends	Tonight I'm (6) over you
Put a flame to every single word you ever said	Tonight I'm getting over you
No more crying	Tonight I'm getting over you
To get me through	Over you
I'll keep dancing till the morning	Over you
With somebody new	Tonight I'm getting (7) you
Tonight I'm getting (4) you	Tonight I'm getting over you (tonight)
Tonight I'm getting over you	Tonight I'm getting over you
Tonight I'm getting over you	Over you
Tonight I'm getting over you	
Over you	We're not lovers
Over you	But more than friends
Stuck in a real bad dream	Put a (8) to every single word you ever said
And then it feels so new to me	No more crying
Should be in your arms	To get me trough
But I'm begging at your feet	I'll (9) dancing till the mornig
It's been a real hard night	With somebody new
And I just hold my (5) tight	Tonight I'm getting (10) you
You won't love me back no
