

## Fill in the gaps

## Tonight I'm Getting Over You by Carly Rae Jepsen

I wanna smash your fears	We're not lovers
And get drunken off your tears	But (12) (13) friends
Don't you share your smile with	Put a (14) to every (15)
Anyone (1) but me	(16) you (17) said
I wanna (2) your heart	No more crying
I wanna crash it in my hands	To get me through
Make it bleed and cry as you give up all the lies	I'll keep (18) till the morning
We're not lovers	With (19) new
But more than friends	Tonight I'm getting over you
Put a flame to every single word you ever said	Tonight I'm getting over you
No more crying	Tonight I'm getting (20) you
To get me through	Tonight I'm (21) over you
I'll keep dancing (3) the morning	Over you
With somebody new	Over you
Tonight I'm (4) (5) you	Tonight I'm getting (22) you
Tonight I'm getting over you	Tonight I'm getting over you (tonight)
Tonight I'm (6) over you	Tonight I'm (23) over you
Tonight I'm getting over you	Over you
Over you	
Over you	We're not lovers
Stuck in a real bad dream	But more than friends
And then it (7) so new to me	Put a flame to every single word you (24) said
Should be in your arms	No more crying
But I'm begging at your feet	To get me trough
It's (8) a real (9) night	I'll keep dancing till the mornig
And I just hold my pillow tight	With somebody new
You won't (10) me (11) no	Tonight I'm getting (25) you
It's not you and I
