It's not you and I

Fill in the gaps

Tonight I'm Getting Over You by Carly Rae Jepsen

I wanna smash your fears	We're not lovers
And get drunken off your tears	But more than friends
Don't you (1) your smile with	Put a (4) to (5) single word you
Anyone else but me	ever said
I wanna touch (2) heart	No more crying
I wanna crash it in my hands	To get me through
Make it bleed and cry as you give up all the lies	I'll keep dancing till the morning
We're not lovers	With somebody new
But more than friends	Tonight I'm getting (6) you
Put a flame to every single word you ever said	Tonight I'm getting over you
No more crying	Tonight I'm getting over you
To get me through	Tonight I'm (7) over you
I'll keep dancing till the morning	Over you
With somebody new	Over you
Tonight I'm (3) over you	Tonight I'm getting over you
Tonight I'm getting over you	Tonight I'm getting over you (tonight)
Tonight I'm getting over you	Tonight I'm getting over you
Tonight I'm getting over you	Over you
Over you	
Over you	We're not lovers
Stuck in a real bad dream	But more than friends
And then it feels so new to me	Put a flame to every single (8) you ever said
Should be in your arms	No more crying
But I'm begging at your feet	To get me trough
It's been a real hard night	I'll keep (9) till the mornig
And I just hold my pillow tight	With somebody new
You won't love me back no	Tonight I'm getting over you
