## Fill in the gaps

I'm a scary gargoyle on a tower	Your rhinestone eyes are like factories far away
That you made with plastic power	(Here we go again)
Your rhinestone eyes are like factories far away	That's electric
When the paralytic dreams (1) we all seem to keep	That's electric
Drive on engines till they weep	Helicopters fly over the beach
With future pixels in (2) far away	Same time everyday same routine
So call the mainland from the beach	Clear target in the summer when skies are blue
Your heart is now washed up in bleach	Its part of the noise when winter comes
The waves are rising for this time of year	It reverberates in my lungs
And nobody (3) what to do with the heat	Natures' corrupted in factories far away
Under sunshine pylons we'll meet while	(Here we go again)
Rain is falling like (4) from the	That's electric
sky	Your loves' like rhinestones, falling from the sky
I got a (5) now my (6) is	That's electric
frozen	With future (8) in factories far away
All the phoses and growsin	(Here we go again)
Happy and after native in my soul	That's electric
I prayed on the unmovable	Your loves' like rhinestones, (9) from the
Yeah, clinging to the adam's of rock	sky
Seasons seas just smooth Signs are change	That's electric
I cant see now she said taxi	With future pixels in factories far away
I that (7) is so I can take	(Here we go again)
Storm bring strange loyalties and skies	
I'm a scary gargoyle on a tower
