

Fill in the gaps

I'm a scary gargoyle on a tower	Your rhinestone eyes are like factories far away
That you made with (1) power	(Here we go again)
Your rhinestone (2) are li	like That's electric
(3) far away	That's electric
When the paralytic dreams that we all seem to keep	Helicopters fly over the beach
Drive on engines till they weep	Same time everyday same routine
With future pixels in factories far away	Clear target in the summer when skies are blue
So call the mainland from the beach	Its part of the noise when winter comes
Your heart is now washed up in bleach	It reverberates in my lungs
The waves are (4) for this time of year	Natures' corrupted in factories far away
And nobody knows what to do with the heat	(Here we go again)
Under sunshine pylons we'll meet while	That's electric
Rain is falling like rhinestones from the sky	Your (8) (9) rhinestones,
I got a feeling now my heart is frozen	falling from the sky
All the phoses and growsin	That's electric
Happy and (5) (6) in my se	soul With future pixels in factories far away
I prayed on the unmovable	(Here we go again)
Yeah, clinging to the adam's of rock	That's electric
Seasons seas just smooth Signs are change	Your loves' like rhinestones, falling from the sky
I cant see now she (7) taxi	That's electric
I that light is so I can take	With future (10) in factories far away
Storm bring strange loyalties and skies	(Here we go again)
I'm a scary gargoyle on a tower
