### Curiosity (Acoustic) by Carly Rae Jepsen

Break a bone	(Uh oh curiosity)
Got me on my knees	So don't (6) me tonight
You break my heart	This is (7) love
Just to watch it bleed	And you know I'm gonna follow you home
I'm sick with love	Through the rain
Sick like a disease	'Cause I need your love
Don't call me up	And you know I'm gonna follow you home
Just so I can please you	Yes I need your love and you know
I can't stand the way you're smiling	I'm going to (8) you
I can't stand the way I'm lying	I know, I know
I know, I know, I know you got the key	I know you got the key
And you know, you know	And you know, you know
You know (1) it's for me	You know that it's for me
It's not up to you	Well I think (9) we should try it out to see yeal
You know it's up to me but	Curiosity
Curiosity will never let me go	So don't (10) me tonight
(Oh oh oh oh oh)	This is crazy love
(Uh oh oh oh oh oh oh)	And you know I'm gonna (11) you home
Will never let me go	Through the rain
(Oh oh oh oh oh)	'Cause I (12) your love
(Uh oh oh oh curiosity)	Yes I need your love
Look at me	So don't break (don't break)
Left here in the corner	Me tonight (me tonight)
Stupid girl	This is crazy love
I really tried to warn her	And you know I'm gonna (13) you home
Walked the (2) all night	Through the rain
Until you (3) around	'Cause I (14) your love
Knew that you would come	Yes I need you
Before you ever even made a sound	So never let me go
I know, I know	(Oh oh oh oh oh)
I know you got the key	(Uh oh oh oh oh oh oh)
And you know, you know	Will never let me go
You know that it's for me	(Oh oh oh oh oh)
It's not up to you	(Uh oh oh curiosity)
You (4) it's up to me but	Will never let me go
Curiosity will never let me go	(Oh oh oh oh oh)
(Oh oh oh oh oh)	Will (15) let me go
(Uh oh oh oh oh oh oh)	(Oh oh oh oh oh)
Will (5) let me go
