

Sometimes we need to be cruel to be kind Child that I was, could not see the reason

Fill in the gaps

In good old times, remember my friend	Feelings I had were but sham and a lie
Moon was so bright and so close to us, sometimes	I have never forgotten your smile
We (1) (2) blind and deaf, what a	Your eyes, oh, Shamandalie
bliss	Times went by, many memories died
Painting the (3) of our own, for our own eyes,	I'm (5) this (6) to ease my pain
now	You saw us always clearer than me
Can we ever have what we had then?	How we were never meant to be
Friendship unbreakable	Love denied meant the friendship would die
Love means nothing to me	Now I have seen the light
Without blinking an eye	These memories (7) me cry
I'd fade, if so needed,	Can I ever have what I had then?
All those moments with you	Friendship unbroken
If I had you beside me	Love means nothing to me
One cloudy day we both lost the game	Without (8) an eye
We drifted so far and away	I'd fade, if so needed,
Nothing is quite as cruel as a child	All those (9) with you
Sometimes we break the unbreakable, sometimes	See the world with my wide open eyes
And we'll never have what we had then	Friendship got broken
Friendship unbroken	There's no other for me
Love means nothing to me	Like the one of my childhood
Without blinking an eye	Can you forgive me?
I'd fade, if so needed,	Love got better off me,
All those moments with you	On that day back in old times
If I had you beside me now	
I was unable to cope with (4) you said
