

Fill in the gaps

Mirrors by Justin Timberlake

Aren't you something

To admire

'Cause your shine is something like a mirror

And I can't help but notice

You reflect in this heart of mine

If you ever feel alone and

The glare makes me hard to find

Just know that I'm always

Parallel on the other side

'Cause with (1)_____ hand in my hand

And a pocket full of soul

I can (2)_____ you there's no place we couldn't go

Just put your hand on the past

I'm here trying to pull you through

You (3)_____ gotta be strong

'Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you, baby, it was easy

Coming (4)_____ into you once I figured it out

You were right here all along

It's like you're my mirror

My (5)_____ staring back at me

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

Fill in the gaps

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring (6)_____ at me, staring back at me

Aren't you something

An original

'Cause it doesn't seem (7)_____ as simple

And I can't help but stare, 'cause

I see (8)_____ somewhere in your eyes

I can't ever

Change without you

You reflect me, I love that about you

And if I could, I

Would look at us all the time

'Cause with (9)_____ hand in my hand

And a pocket full of soul

I can tell you there's no place we couldn't go

Just put your (10)_____ on the past

I'm here trying to pull you through

You just gotta be strong

'Cause I don't wanna (11)_____ you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you, baby, it was easy

Coming back (12)_____ you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

Fill in the gaps

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Yesterday is history

Tomorrow's a mystery

I can see you looking back at me

Keep your eyes on me

Baby, keep your eyes on me

'Cause I don't wanna lose you now

I'm looking right at the other half of me

The (13)_____ that sat in my heart

Is a space (14)_____ now you hold

Show me how to fight for now (you show me baby)

I'll tell you, baby, it was easy

Coming back into you (15)_____ I figured it out

You (16)_____ right here all along

It's like you're my mirror

My mirror staring (17)_____ at me

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror

Fill in the gaps

My mirror staring back at me, staring back at me

You are, you are the (19)_____ of my life

You are, you are the love of my life

Now you're the (20)_____ of this (21)_____ song

And I just wanna see your face

Light up since you put me on

So now I say goodbye to the old me, it's already gone

And I can't wait, wait, wait, wait, wait to get you home

Just to let you know, you are

(You are, you are the love of my life)

(You are, you are the (22)_____ of my life)

All I see is you

My reflection

In everything I do

Fill in the gaps

And all I see is you

My reflection

In everything I do
