

## Fill in the gaps

We're gonna make the stars come out tonight
So why don't you reload, reload, re-reload the music
Reload, reload, re-reload the music
Just throw those hands up, show them you don't care
I want you to reload, reload, re-reload the music
Reload, reload, re-reload the music
Reload, reload
Reload, reload, re-reload the music
We (1) some life
We roll out when we want
I'll be right inside the party
Jamming to my favourite songs
All the (3) are on the ground right now
But that won't be for long
We go back up into the sky and shine
Put my high beam on
I'm liking the vibe she's on
Looking into my eyes
I might (4) to talk and (5) a walk
But I'm avoiding spies
They see me vibing with the blems
And (6) by my side
I see them with a smile like hi
Willing to chat my name on the sly
That's when I raise a glass up high
I want this moment for life
So DJ reload it, says the host who's there on the mic
This game can be a good thing
Only if your future's bright
That plane can be a good thing
That's why I'm always on flights
Tonight's a moment, yeah, it's going down
So why don't you reload, reload, re-reload the music

Reload, reload, re-reload the music
