

## Fill in the gaps

I remember way back, way back when
I said I never wanna see your face again
'Cause you were loving, yes you're loving
(1) else
And I knew, oh yes, I knew I couldn't control myself
And now they bring you back (2) my life again
And so I put on a face just like your friends
But I think you know, oh yes, you know what's going on
'Cause the feelings in me, oh yes, in me
Are burning strong
But I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright
On my own
You used to call me up from time to time
And it would be so hard for me not to cross the line
The words of (3) lay on my lips just like a curse
And I knew, oh yes, I (4) they'd (5)
make it worse
And now you have the nerve to play along
Just like the maestro (6) in your song
You got your kicks, you get your kicks from playing me

And the less you give the more I (7) so foolishly
But I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright
On my own
No, I will (8) be your stepping stone
Take it all
Or (9) me alone
I will never be your stepping stone
I'm standing upright
On my own
Never be your stepping stone
Take it all
Or (10) me alone
I will never be your stepping stone
I'm standing upright
On my own
