

Fill in the gaps

I remember way back, way back when	And the less you give the more I want so foolishly
I said I never wanna see your face again	But I will (20) be your (21)
'Cause you were loving, yes you're loving	stone
(1) else	Take it all or leave me alone
And I knew, oh yes, I (2) I couldn't control myself	I will never be your (22) stone
And now they bring you (3) (4) my life	I'm standing upright
again	On my own
And so I put on a face just like (5) friends	No, I will never be your (23) stone
But I think you know, oh yes, you know what's going on	Take it all
'Cause the feelings in me, oh yes, in me	Or leave me alone
Are burning strong	I will never be (24) stone
But I (6) never be your (7)	I'm standing upright
stone	On my own
Take it all or (8) me alone	Never be your stepping stone
I will never be your (9) stone	Take it all
I'm standing upright	Or leave me alone
On my own	I will never be your stepping stone
You used to call me up from (10) to time	I'm standing upright
And it would be so (11) for me not to cross the line	On my own
The (12) of (13) lay on my	
(14) just (15) a curse	
And I knew, oh yes, I knew they'd (16) make it	
worse	
And now you (17) the nerve to play along	
Just like the maestro (18) in your song	
You got your kicks, you get your (19) from	
playing me	

Fill in the gaps

- 1. somebody
