Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand (1) and (2) me
burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I (3) the way you lie
I (4) the way you lie
[Eminem]
I can't tell you (5) it (6) is
I can only tell you what it feels like
And (7) now there's a steel knife in my windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right (8) like I'm in
flight
High off of love, drunk from my hate
Its like (9) huffing paint
And I love it the more that I suffer, I suffocate
And right before I'm about to drown she resuscitates me
She fucking hates me and I love it, wait
Where you going, I'm leaving you
No you ain't, come back
We're running (10) back
Here we go again, it's so insane
Cause when it's going good it's going great
I'm superman with the wind at his back, she's Lois Lane
But when it's bad (11) awful I feel so
ashamed, I snapped
ashamed, I snapped Who's that dude I don't even (12) his name I laid hands on her, I'll never stoop so low again
ashamed, I snapped Who's that dude I don't even (12) his name
ashamed, I snapped Who's that dude I don't even (12) his name I laid hands on her, I'll never stoop so low again I guess I don't know my own strength [Rihanna]
ashamed, I snapped Who's that dude I don't even (12) his name I laid hands on her, I'll never stoop so low again I guess I don't know my own strength [Rihanna] Just gonna stand there and watch me burn

So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your seperate ways
Guess they don't know you
Cause today, that was yesterday
Yesterday is over, it's a (16) day
Silent broken records playing over
But you promised her (17) time you'll show restrain
You don't get another chance
Life is no nintendo game, but you (18) again
Now you get to watch her leave out the window
I guess that's why they call it window pane
[Rihanna]
Just gonna stand (19) and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and (20) me cry
Well (21) alright because I love the way
you lie
I love the way you lie, I love the way you lie
[Eminem]
Now I know we said things
Did things that we didn't mean
And we (22) back into the same patterns, same
routine
But your temper is just as bad is mine is
You're the same as me
When it comes to love you're just as blinded
Baby, please come back it wasn't you maybe it was me
Maybe our relationship isn't as crazy as it seems
Maybe that's what happens when a tornado meets a valcano
All I (23) is I love you too much to walk away
though
Come inside, pick up your (24) off the sidewalk
Don't you hear sincerity in my voice when I talk?
Told you this is my fault, look in the eyeball
Next time I'm (25) I'll aim my fist at the drywall
Next time, there won't be no next time
I (26) even though I know it's lies
I'm tired of the games I just want her back
I know I'm a liar if she ever tries to fucking leave again
I'mma tie her to the bed and set this (27) on fire
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna (28) there and hear me cry
Well that's alright because I love the way you lie
Llove the way you lie. I love the way you lie
