Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
[Eminem]
I (1) tell you what it really is
I can only tell you what it feels like
And (2) now there's a steel knife in my windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right it's like I'm in flight
High off of love, drunk from my hate
Its like I'm huffing paint
And I (3) it the more that I suffer, I suffocate
And right before I'm about to drown she resuscitates me
She (4) hates me and I love it, wait
Where you going, I'm leaving you
No you ain't, come back
We're running right back
Here we go again, it's so insane
Cause when (5) going (6) it's
going great
I'm superman with the wind at his back, she's Lois Lane
But when it's bad it's awful I feel so ashamed, I snapped
Who's (7) dude I (8) even know
Who's (7) dude I (8) even know his name
his name
his name I laid hands on her, I'll never stoop so low again

So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your seperate ways
Guess they don't know you
Cause today, (14) was yesterday
Yesterday is over, it's a different day
Silent (15) records playing over
But you promised her next time you'll show restrain
You don't get another chance
Life is no nintendo game, but you lied again
Now you get to watch her leave out the window
I (16) that's why they call it window pane
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie, I love the way you lie
[Eminem]
Now I know we (17) things
Did things that we didn't mean
And we (18) back into the same patterns,
(19) routine
But your temper is just as bad is mine is
You're the same as me
When it (20) to love you're (21) as
blinded
Baby, please come back it wasn't you maybe it was me
Maybe our relationship (22) as
(23) as it seems
Maybe that's what happens when a tornado meets a valcano
All I know is I love you too much to walk away though
Come inside, pick up your bags off the sidewalk
Don't you hear sincerity in my (24) when I talk?
Told you this is my fault, look in the eyeball
Next time I'm pissed I'll aim my fist at the drywall
Next time, there won't be no next time
I apologize even though I (25) (26)
lies
I'm tired of the games I just (27) her back
I know (28) a liar if she ever tries to fucking
leave again
I'mma tie her to the bed and set this house on fire
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and (29) me cry

Well that's alright because I love the way you lie I love the way you lie, I love the way you lie
