

Fill in the gaps

So many nights trying to hide it
But now I stay awake (1) pleading for more
To think this heart was divided
I'm losing sleep cause I can't ignore
Feeling your touch all around
And peacefully hearing the sound
Of silence (2) us
I'm so glad we found us this way
Find me, here in your arms
Now I'm wondering where you've always been
And blindly, I came to you
Knowing you'd breathe new life from within
I can't get enough of you
I (3) be (4) you are
In times of need I just want you to stay
I (5) a note on your car
When I can't find the right words to say
Hearing your voice all around
The last place we're going is down
I'll blindly follow knowing you're leading the way
Yeah
Find me, here in your arms

Now I'm wondering where you've always been
And blindly, I came to you
Knowing you'd breathe new life from within
With you in time
There's nothing else
My life stands still
You are the will (6) makes me strong
Make me strong
If (7) alone in this world I know I'll always
Find me, (8) in your arms
Now I'm wondering where you've always been
Blindly, I came to you
Knowing you'd breathe new life (9) within
You sleep, here in my arms
Where the world just shuts down for a while
Blindly, you came to me
Finding (10) and belief in this smile
Find some peace and belief in this smile
Find some peace and belief in this smile
I can't get enough of you
