Let me (1) you a ditty	We all want to know, how it ends
It's (2) an itty bitty	(Oh) happily (11) after
Little thing on my mind	Wouldn't you know
About a boy and a girl	Wouldn't you know
Trying to take on the world	(Oh) skip to the ending
One (3) at a time	Who'd like to know
Now the funny thing about	I'd like to know
Ain't a story (4) it	Author of the moment
But the story is mine	Can you (12) me, do I end up
And I wish you could say	Do I end up happy?
That it ended just fine	We all have a (13) to tell
We all (5) to know	Whether we (14) or yell
How it ends	We all have a story
(Oh) happily ever after	Of (15) and all it's glory
Wouldn't you know	We all have a (16) to tell
Wouldn't you know	(Oh) happily ever after
(Oh) (6) to the ending	Wouldn't you know
Who'd like to know	Wouldn't you know
I'd like to know	(Oh) skip to the ending
Author of the moment	Who'd (17) to know
Can you tell me	I'd (18) to know
Do I end up	Author of the moment
Do I end up happy?	Can you tell me, do I end up
End up happy?	Do I end up happy?
Inhale, breathe steady, exhale like you're ready	We all have a (19) to tell
