SUB inglés

Fill in the gaps

All About Us by He Is We & Owl City

Take my hand	Do you (7) that love?
I'll teach you to dance	They're playing our song
I'll spin you around	Do you think we're ready?
Won't let you fall down	(Oh) I'm really feeling it
Would you let me lead?	Do you hear (8) love?
You can step on my feet	Do you hear that love?
Give it a try	Do you hear that love?
It'll be all right	They're playing our song
The rooms hush, hush	Do you think we're ready?
And now's our moment	(Oh) I'm really feeling it
Take it in fell it all and hold it	Do you hear that love?
Eyes on you, (1) on me were doing this right	Do you hear that love?
'Cause lovers dance (2) they're feeling in love	Do you (9) that love?
Spotlight shinning it's all about us	They're playing our song
It's all about us	Do you think we're ready?
And every heart in the room will melt	(Oh) I'm really feeling it
This is a feeling I've never felt	Do you hear that love?
But it's all (3) us	Do you hear that love?
Suddenly, I'm feeling brave	Lovers dance when they're feeling in love
I don't know what's go into me	Spotlight shining it's all about us (it's all about us)
Or why I feel this way	It's all
Can we dance real slow?	Every heart in the room (10) melt
Can I hold you, can I hold you close?	This is a feeling I've never felt
The (4) hush, hush	But it's all about us
And now's our moment	'Cause lovers dance when they're feeling in love
Take it in feel it all and hold it	Spot light shining it's all about us
Eyes on you eyes on me were doing this right	It's all about, hey (all about us)
'Cause (5) dance when they're feeling in love	Every heart in the room will melt
Spot light shining it's all about us	This is a feeling I've never felt but
It's all about us	It's all, It's all about us
And every heart in the room will melt	
This is a feeling I've (6) felt but	
It's all about us
