## SUB inglés

We go cruising to entertain ourselves

### Fill in the gaps

### Fast Car (Cover) by Boyce Avenue & Kina Grannis

You got a fast car	You still ain't got a job	
I want a ticket to anywhere	And I work in a market as a (14) gi	jirl
Maybe we make a deal	I know things will get better	
Maybe together we can get somewhere	You'll find work and I'll get promoted	
Anyplace is better	We'll move out of the shelter	
Starting from zero got nothing to lose	Buy a bigger house and live in the suburbs	
Maybe we'll make something	So I remember when we were driving	
But me myself I got (1) to prove	Driving in (15) car	
You got a (2) car	The speed so (16) felt like I was drunk	
I got a plan to get us out of here	City lights lay out before us	
Been working at the convenience store	And your arm felt nice wrapped 'round my shoulder	
Managed to save just a little bit of money	And I had a (17) that I belonged	
We won't have to (3) too far	And I had a feeling I could be someone	
Just 'cross the border and into the city	Be someone	
You and I can both get jobs	Be someone	
And finally see (4) it means to be living	You got fast car	
You see my old man's got a problem	And I got a job that pays all our bills	
He live with the bottle that's the way it is	You (18) out drinking late at the bar	
He says his body's too old for working	See (19) of your (20) the	an you
I say his body's too young to look (5) his	do of (21) kids	
But (6) went off and left him	I'd always (22) for a better	
She wanted more from life than he could give	Thought maybe together you and me would find it	
I said somebody's got to take care of him	I got no plans I ain't going nowhere	
So I quit school and that's what I did	So take your fast car and keep on driving	
You got a (7) car	So I (23) when we were driving	
Is it fast (8) so we can fly away	Driving in (24) car	
We gotta make a decision	The speed so fast felt like I was drunk	
We leave tonight or (9) and die this way	City (25) lay out before us	
So I remember when we were driving	And your arm felt nice wrapped 'round my shoulder	
Driving in your car	And I had a feeling (26) I belonged	
The speed so (10) felt (11) I was drunk	And I had a feeling I could be someone	
City (12) lay out (13) us	Be someone	
And your arm felt nice wrapped 'round my shoulder	Be someone	
And I had a feeling that I belonged	You got a fast car	
And I had a feeling I could be someone	But is it (27) enough so you can fly away	
Be someone	You (28) make a decision	
Be someone	You leave tonight or live and die this way	
You got a fast car
