

| Hello there, the angel (1) my nightmare |
|---------------------------------------------------|
| The shadow in the background of the morgue |
| The unsuspecting victim of darkness in the valley |
| We can (2) like Jack and Sally if we want |
| Where you can (3) find me |
| We'll (4) Halloween on Christmas |
| And in the night we'll wish this never ends |
| We'll wish this never ends |
| I miss you miss you |
| I (5) you miss you |
| Where are you and I'm so sorry |
| I cannot sleep I cannot dream tonight |
| I need somebody and always |
| This sick strange darkness |
| Comes creeping on so haunting every time |
| And as I stared I counted |
| Webs (6) all the spiders |
| Catching things and eating their insides |
| Like indecision to call you |
| And hear your voice of treason |
| Will you come home and (7) this pain tonight |
| Stop this pain tonight |
