Fell In Love With A Girl by The White Stripes

Fell in love with a girl	That all love is fleeting
I fell in love once and almost completely	She's just looking for something new
She's in love with the world	And I said it once before
But sometimes these feelings	But it bears repeating
Can be so misleading	Fell in love with a girl
She turns and says are you alright	I fell in love once and almost completely
I said I must be fine	She's in love with the world
'Cause my heart's (1) beating	But sometimes these feelings
Come and kiss me by the riverside, yeah	Can be so misleading
Bobby says it's (2) he don't consider it cheating	She turns and (9) are you alright
Red (3) with a curl	I said I must be fine
Mellow roll for the flavor	'Cause my heart's still beating
And the (4) for peeping	Come and kiss me by the riverside, yeah
Can't keep away from the girl	Bobby says it's fine he don't consider it cheating
These two (5) of my brain	
Need to have a meeting	Can't think of anything to do, yeah
Can't think of anything to do, yeah	My (10) brain knows
My left brain knows	That all love is fleeting
That all love is fleeting	She's just looking for something new
She's just looking for (6) new, yeah	And I said it once before
