

## Fill in the gaps

### Fell In Love With A Girl by The White Stripes

Fell in love (1) a girl	That all love is fleeting
I fell in love once and almost completely	She's just (13) for something new
She's in love with the world	And I said it once before
But sometimes these feelings	But it bears repeating
Can be so misleading	Fell in (14) with a girl
She turns and says are you alright	I fell in love once and almost completely
I (2) I must be fine	She's in love (15) the world
'Cause my heart's still beating	But (16) these feelings
Come and (3) me by the riverside, yeah	Can be so misleading
Bobby says it's (4) he don't consider it cheating	She turns and (17) are you alright
Red (5) with a curl	I (18) I (19) be fine
Mellow (6) for the flavor	'Cause my heart's still beating
And the (7) for peeping	Come and (20) me by the riverside, yeah
Can't (8) away from the girl	Bobby says it's (21) he don't consider it cheating
These two sides of my brain	
Need to (9) a meeting	Can't think of (22) to do, yeah
Can't think of anything to do, yeah	My (23) brain knows
My left (10) knows	That all love is fleeting
That all love is fleeting	She's just looking for something new
She's just (11) for something new, yeah	And I said it once before
And I said it once before	But it bears (24) now
But it bears repeating	
Can't think of (12) to do	
My left brain knows
