

## Fill in the gaps

### Candle In The Wind '97 by Elton John

Goodbye England's rose  
May you ever grow in our hearts  
You were the grace that placed itself  
Where lives were torn apart  
You called out to our country  
And you whispered to those in pain  
Now you belong to Heaven  
And the stars spell out your name  
And it seems to me  
You lived your life like a candle in the wind  
Never fading with the sunset  
When the rain set in  
And your footsteps will always fall here  
Along England's greenest hills  
Your candle's burned out long before  
Your legend ever will

The joy you brought us through the years  
And it seems to me
