

Fill in the gaps

You got a reaction	But you (3) that it's (4) me teasing
You got a reaction, didn't you	you
You took a (1) orchid	You got a reaction
You took a white orchid turned it blue	You got a reaction, didn't you
Something better than nothing	You (5) a white orchid
Something better than nothing, it's giving up	You took a white orchid turned it blue
We all need to do something	Get behind me
Try to keep the truth from showing up	Get (6) me now, anyway
How dare you	Get (7) me
How old are you now, anyway	Get behind me now, anyway
How dare you	Get behind me
How old are you now, anyway	Get behind me now, anyway
How dare you	You got a reaction
How old are you now, anyway	You got a reaction, didn't you
You're (2) a flower	You (8) a white orchid
But I guess there's just no pleasing you	You took a white orchid (9) it blue
Your lip tastes sour
