My tears dry on their own

Fill in the gaps

Tears Dry On Their Own by Amy Winehouse

All I can ever be to you	So we are history
s a (1) that we knew	Your shadow covers me
And this regret I got accustomed to	The skies (16) a blaze
Once it was so right	He (17) away
When we were at our high	The sun (18) down
Naiting for you in the hotel at night	He (19) the day but I'm grown
knew I hadn't met my match	And in your way
But every moment we (2) snatch	In this blue shade
don't know why I got so attached	My tears dry on their own
t's my responsibility	I wish I could say no regrets
And you don't owe nothing to me	And no emotional debts
But to (3) (4) I have no capacity	'Cause as we (20) goodbye the sun sets
He walks away	So we are history
The sun goes down	The shadow covers me
He takes the day but I'm grown	The sky above a blaze
And in your way	That only lovers see
n this blue shade	He (21) away
My (5) dry on their own	The sun goes down
don't understand	He takes the day but I'm grown
Why do I (6) a man	And in your way
When there's so many bigger things at hand	My blue shade
We could have (7) had it all	My tears dry on their own (whoa)
Ne had to hit a wall	He (22) away
So this is inevitable with drawl	The sun goes down
Even if I stopped wating you	He takes the day but I'm grown
A perspective (8) through	And in your way
'll be some next man's other woman soon	My (23) shade
(Ah) can I (9) myself again?	My tears dry on their own
Or should I (10) be my own (11) friend?	He (24) away
Not **** (12) in the head with	The sun goes down
(13) men	He (25) the day but I'm grown
He (14) away	And in your way
The sun goes down	My deep shade
He takes the day but I'm grown	My (26) dry
And in your way	
n this (15) shade
