What You Know by Two Door Cinema Club

In a few weeks	Why try anything?
I will get time	I will get there
To realise it's right before my eyes	Just remember I know
And I can take it if it's what I (1) to do	And I can tell just what you want
I am leaving	You don't want to be alone
This is (2) to feel like	You don't want to be alone
It's right (3) my eyes	And I can't say it's what you know
And I can taste it	But you've (6) it the whole time
It's my (4) beginning	Yeah, you've known it the whole time
And I can tell just what you want	(Yeah)
You don't (5) to be alone	(Yeah)
You don't want to be alone	(Yeah)
And I can't say it's what you know	And I can tell just what you want
But you've known it the whole time	You don't want to be alone
Yeah, you've known it the whole time	You don't (7) to be alone
Maybe next year	And I can't say it's (8) you know
I'll have no time	But you've known it the (9) time
To think about the questions to address	Yeah, you've known it the whole time
Am I one to try to stop the fire?
