## Fill in the gaps

## Sleep Alone by Two Door Cinema Club

| Know                                    | That they're just ghosts                    |
|---|---|
| My (1) goal is to see                   | And they can't hurt him                     |
| When I'm only fast asleep               | If he can't see them (oh oh oh)             |
| It (2) more (3) strength                | And I may go                                |
| To find                                 | To places I have never (16) to just to find |
| This (4) of mind                        | The deepest (17) in my mind                 |
| So I'll hold, hold, hold it close       |   |
| To my heart beating with every step     | It's in my head, and I have said            |
| Hold, hold, (5) it close                | That I must be like him now                 |
| He sleeps alone                         | He sleeps alone                             |
| He (6) no army                          | He (18) alone                               |
| Where he's (7) 'cause he knows          |   |
| That they're (8) ghosts                 | One last chance to make sense               |
| And they can't hurt him                 | Of what is long (19) us                     |
| If he can't see them (oh oh oh)         | He sleeps alone                             |
| And I may go                            | I (20) alone                                |
| To places I (9) never been to (10) to   | He (21) alone                               |
| find                                    | He needs no army                            |
| The deepest desires in my mind          | Where he's headed 'cause he knows           |
| We                                      | That they're just ghosts                    |
| We only know (11) we see                | And (22) can't (23) him                     |
| Cause we're (12) fast asleep            | If he can't see them (oh oh oh)             |
| Cause it's so hard not                  | And I don't know                            |
| To believe                              | If in the morning                           |
| That we'll never know                   | I will be here and if so                    |
| (Oh oh) hold, hold, hold, (13) me close | Let it be known                             |
| I've never been this far from home      | That I was worthy                           |
| Hold, hold, hold me close               | I was worthy, I was worthy, I was           |
| He sleeps alone                         |   |
| He needs no army                        |   |
| Where he's (14) (15) he knows           |   |
