Fill in the gaps

Ocean blue	Though
What have I done to you?	I'm far away
Cut so deep	I know I'll stay, I (7) I'll stay
Yet (1) through and through	Right there with you
Drawn apart	And though
New York and London	It might be too late
All I see now	What would you say?
Are distant drumlins	What (8) you say?
The roads I knew	What would you do?
Became a city	Over and over
And I wonder	Many setting suns
Will you (2) for me?	I have run
Although	I have waited for the rain to come
I'm far away	When through that mist
I know I'll stay, I know I'll stay	I see the shape of you
Right there with you	And I know, and I know
Though	That I'm in love with you
It might be too late	Though
What would you say?	I'm far away
What would you say?	I know I'll stay, I know I'll stay
What would you do?	Right there with you
I built a hive	And though
Became one with the bees	It might be too late
But we (3) like rain	What (9) you say?
Got lost (4) the sea	What would you say?
If I don't know	What would you do?
The (5) will (6) me	
So just hold tight
