

You just gotta be strong

## Fill in the gaps

## Mirrors (Live) by Justin Timberlake

Aren't you something to admire	'Cause I don't wanna lose you now
Cause your shine is something like a mirror	I'm looking right at the other half of me
And I can't help but notice	This vacancy that sat in my heart
You reflect in (1) heart of mine, yeah	Is a space that now you hold
If you ever feel alone and	Show me how to fight for now
The glare makes me hard to find	And I'll tell you baby, it was easy
Just know that I'm always	Coming back into you (5) I figured it out
Parallell on the other side	You were right here all along
Cause with your hand in my hand	It's like you're my mirror
And a pocket full of soul	My mirror staring back at me
I can tell you there's no (2) we couldn't go	I couldn't get any bigger
Just put your hand on the past	With anyone else beside of me
I'm here trying to pull you through	And now it's clear as this promise
You just gotta be strong	That we're making
Cause I don't wanna lose you now	Two reflections into one
I'm looking right at the other half of me	'Cause it's like you're my mirror
The vacancy that sat in my heart	My (6) staring (7) at me (staring
Is a space that now you hold	back at me)
Show me how to fight for now	Yesterday is history
And I'll tell you baby	Tomorrow's a mystery
It was easy coming back into you once	I can see you looking back at me
I figured it out	Keep your eyes on me
You were right here all along	Baby, keep your eyes on me
It's like you're my mirror	London ('cause I don't wanna lose you now)
My mirror (3) back at me	Put your hands together right now, come on
I couldn't get any bigger	I'm looking right at the other half of me
With anyone else beside of me	This (8) that sat in my heart
And now it's clear as this promise	Is a (9) that now you hold (no, no, no, no)
That we're making	Show me how to fight for now
Two reflections into one	And I'll tell you baby that it was easy
'Cause it's like you're my mirror	Coming back into you once I figured it out
My mirror staring back at me, staring back at me	You were right here all along
Aren't you something	It's like you're my mirror
An original, 'cause it doesn't seem merely assembled	My mirror staring back at me
And I can't help but stare 'cause	I couldn't get any bigger
I see truth somewhere in your eye	With anyone else beside of me
I can't ever change without you	And now it's clear as this promise
You reflect me, I love that about you	That we're making
And if I could, I would look at us all the time	Two reflections into one
Cause with your hand in my hand	'Cause it's like you're my mirror (no, no, no)
And a pocket full of soul	My mirror staring back at me, staring back at me
I can tell you there's no (4) we couldn't go	No
Just put your hand on the past	Thank you London
I'm here trying to pull you through	Have a great night
