Mirrors (Live) by Justin Timberlake

Aren't you (1)_____ to admire
'Cause your shine is something like a mirror
And I can't help but notice
You reflect in this heart of mine, yeah
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallell on the other side
'Cause with your hand in my hand
And a (2)_____ full of soul
I can (3)_____ you there's no place we couldn't go
Just put your hand on the past
I'm here trying to pull you through
You just gotta be strong
'Cause I don't wanna lose you now
I'm looking right at the other half of me
The vacancy (4)_____ sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you baby
It was easy coming back into you once
I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me
Aren't you something
An original, 'cause it doesn't seem merely assembled
And I can't help but stare 'cause
I see truth somewhere in your eye
I can't ever change without you
You (5)_____ me, I love that about you
And if I could, I would (6)_____ at us all the time
'Cause with your hand in my hand
And a pocket full of soul
I can (7)_____ you there's no place we couldn't go
Just put your hand on the past
I'm here trying to pull you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm looking right at the other half of me
This vacancy (8)_____ sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you baby, it was easy
Coming back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me (staring back at me)
Yesterday is history
Tomorrow's a mystery
I can see you looking back at me
Keep your eyes on me
Baby, keep your eyes on me
London ('cause I don't wanna lose you now)
Put your hands together (9)_____ now, come on
I'm looking right at the other half of me
This vacancy that sat in my heart
Is a space that now you hold (no, no, no, no)
Show me how to fight for now
And I'll tell you baby that it was easy
Coming back into you once I figured it out
You were right here all along
It's (10)_____ you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror (no, no, no)
My mirror staring back at me, staring back at me
No
Thank you London
Have a great night
