Wild Child by Enya

Ever close your eyes

Ever stop and listen

Ever feel alive

And you've nothing missing

You don't need a reason

Let the day go on and on

Let the rain fall down

Everywhere around you

Give into it now

Let the day (1)_____ you

You don't need a reason

Let the (2)_____ go on and on

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to a wild child

Only take the time

From the helter skelter

Every day you find

Everything's in kilter

You don't need a reason

Let the day go on and on

Every (3)_____ sun

Every winter evening

Every (4)_____ to come

Every (5)_____ leaving

You don't need a reason

Let it all go on and on

What a day, (6)_____ a day to take to

What a way, what a way to make it through

What a day, what a day to take to a wild child

What a day, what a day to take to

What a way, what a way to (7)_____ it through

What a day, (8)_____ a day to take to a (9)_____ child

What a day, (10)_____ a day to take to
