

Fill in the gaps

Ever close your eyes	Every (12) sun
Ever (1) and listen	Every winter evening
Ever (2) alive	Every spring to come
And you've (3) missing	Every (13) leaving
You don't need a reason	You don't need a reason
Let the day go on and on	Let it all go on and on
Let the (4) (5) down	What a day, what a day to take to
Everywhere (6) you	What a way, what a way to (14) it through
Give (7) it now	What a day, (15) a day to (16) to a wild
Let the day surround you	child
You don't need a reason	What a day, what a day to take to
Let the rain go on and on	What a way, what a way to make it through
What a day, what a day to (8) to	What a day, what a day to take to a wild child
What a way, (9) a way to make it through	What a day, (17) a day to take to
What a day, what a day to (10) to a wild child	What a way, what a way to make it through
Only take the time	What a day, what a day to (18) to
From the helter skelter	
Every day you find	What a way, what a way to make it through
Everything's in kilter	What a day, (19) a day to take to a wild child
You don't (11) a reason	What a day, what a day to take to a wild child
Let the day go on and on
