

Let the day go on and on

## Fill in the gaps

Every (5)	sun
Every (6)	evening
Every spring to come	
Every (7)	leaving
You don't need a reason	
Let it all go on and on	
What a day, what a day to take to	
What a way, what a way to make it through	
What a day, what a day to take to a wild child	
What a day, what a day to take to	
What a way, what a way to make it through	
What a day, what a day to take to a wild child	
What a day, what a day to take to	
What a way, (8)	_ a way to make it through
What a day, what a day to take to	
What a way, what a way to make it through	
What a day, (9)	_ a day to take to a wild child
What a day, what a day to take to a wild child
